

Huntingdon Town manager Laurence Revell on their 1-0 win against Lutterworth Athletic:

"Today we welcomed Lutterworth Athletic to the Jubilee for our first home game of the season.

Lutterworth are much changed from last year and have signed some real quality.

In a very tight first half both teams both only mustered half chances before we took the lead through Connor Pilbeam following a sublime through ball from Rio Thompson.

Second half was again void of many opportunities however following a handball we were awarded a pen which the Lutterworth keeper saved brilliantly. In the last 15 mins we had our keeper sent off for an off the ball incident, bit of a melee, didn't really see anything but the ref clearly did and we were down to 10. Lutterworth threw everything at us towards the end but found Mat Chapman, the stand in GK in great form.

Game ended 1-0 to us which registers our first points of the season on the board. On to Raunds here again at The Jubilee Wednesday.

Really enjoyed the interaction with the Lutterworth management, top blokes who clearly have improved the playing staff from last season.

Thanks

Lorro.
